Current Research and consulting

Airport-to-airport mutual aid
International mutual aid pacts
Relationships between airports and emergency management agencies during non-aviation disasters and catastrophes
Multihazard preparedness of airports
Airport disaster preparedness in a community context
Regional coordination and cooperation among airports
Role of general aviation airports in the disaster response mission
Role of private pilots and pilot organizations in disaster response
Airport emergency plans (AEPs) that are compliant with FAA AC 150/5200-31C and NIMS
Airport-based disaster-related enterprises

Education

Virginia Polytechnic Institute and State University - Ph.D. in environmental design and planning (specialization in environmental management, budgeting, and program appraisal), 1995
Naval War College - Diploma in strategy and policy with distinction, 1993
North Carolina State University - Graduate courses in civil engineering, 1984-87
University of California, San Diego - M.S. in oceanography, 1967; ABD, 1975
University of North Carolina - A.B. in zoology (honors) and chemistry, 1965

Professional Registration and License

Professional Engineer (civil engineering) - Virginia Registration No. 21687

Professional Experience

2010- Member, Los Angeles Mayor's Blue Ribbon Panel for security and emergency management at Los Angeles International Airport
2010- Principal Investigator for Airport Cooperative Research Program (ACRP) Project # 04-10, "Airport-to-airport mutual aid," as consultant to IEM Inc.
2002- President, Smith-Woolwine Associates (Smith-Woolwine Associates Inc. after November 2008)
1999- Professor, Emergency, & Disaster Management, American Public University System, American Military University, Charles Town, WV
1999-2000 Director of regulatory compliance and technical applications, Henry County (VA) Public Service Authority, and division director, Henry County
1998-2002 Instructor, apprenticeship course for water and wastewater plant operators, Roanoke, VA
1995, 1997 Interim instructor, graduate course in public budgeting and financial management, Virginia Polytechnic Institute and State University
1995-1999 Senior enforcement and compliance specialist, West Central Regional Office, Virginia Department of Environmental Quality
1988-1995 Compliance Auditor, Virginia Department of Environmental Quality/State Water Control Board, Roanoke & Abingdon
1984-1988 Lead Program Planner for Water Quality, North Carolina Division of Environmental

- Management, Raleigh. Chairman, NC Land Resources Information System (GIS) Advisory Committee 1979-1988
- 1978-1984 Coordinator, Coastal Energy Impact Program, North Carolina Division of Coastal Management, Raleigh
- 1977-1978 Coastal Energy Planner, San Luis Obispo County, California. Major facility siting, OCS oil and gas, land use planning, emergency planning
- 1975-1977 Lecturer, Biological Sciences Department, California Polytechnic State University, San Luis Obispo
- 1967-1995 Naval Reserve Officer, most significant assignments: Senior Budget Analyst, Programming Division (N-80), Office of Chief of Naval Operations; Commanding Officer of two units. Promoted to rank of captain 1992, retired 1996. Navy Commendation Medals 1989, 1994. Active duty 1967-1971

Selected Membership and Other Positions

- American Society of Civil Engineers, 2002-
Transportation & Development Institute, Aviation Committee 2006-
Secretary 2010-
Corresponding Member, Committee on Critical Infrastructure (CCI) 2007-
Aviation co-editor, Critical Infrastructure weblog 2007-
Member, Virginia Section
Member, Southwest Virginia Chapter
American Association of Airport Executives (AAAE), 2008-
Member, Operations, Safety & Planning Committee, 2008-
International Association of Emergency Managers (IAEM), 2005-
Member, Training and Education Committee, 2006-2008
Faculty co-sponsor, APUS IEMSA Chapter, 2006-2007

Publications, Papers, and Presentations

Smith, J. F. (2010). "Airport disaster preparedness." Panel participant, 20th Airports Council International World/Latin America - Caribbean Annual General Assembly, 3 November 2010, Bermuda

Smith, J. F. (2010). "The roles of general aviation airports in disaster response: Final report." Available at www.airportstudy2010.com and accepted for presentation at Transportation Research Board (TRB) for consideration for TRB Annual Conference 2011.

Smith, J. F. (in press) "Regional cooperation, coordination, and communication among airports during disasters." *Transportation Research Report, Journal of the Transportation Research Board*.

Smith, J. F. (2010). "The roles of general aviation airports in disaster response: Preview report." Presentation at AAAE GA Summit, July 1, 2010, Morristown, NJ.

Smith, J. F. (2010) "Analysis: Impact of 31C" *Airport Business*, March 2010, 22-23.

Smith, J. F. (2010) "Regional cooperation, coordination, and communication among airports during disasters." Presentation at Transportation Research Board Annual Conference, Meet-the-Author Poster Session, January 12, 2010, Washington, DC.

Smith, J. F. (2010) "Airport disaster preparedness in a community context." Presentation at Transportation Research Board Annual Conference, January 12, 2010,

Declassification of Precise Bathymetry Products: Analysis and Recommendations. (Classified)

Deep Ocean Requirements Study: Final Report. 1984. (Associate editor and publication manager). Washington, DC: CNO (OP-23). (Classified)

Smith, J. F. (ed.). (1982). *Peat Mining in North Carolina: Impacts, Costs, and Benefits*, Coastal Energy Impact Program Publication # 32, Raleigh: NC DNRCD, 96 pp.

Awards

Morehead Scholar, Phi Beta Kappa, University of North Carolina 1964.

National Science Foundation Fellowship, 1965-67.

ARCS Fellowship in Oceanography, 1972-74.

Navy Commendation Medal, 1987, 1996

Virginia Outstanding Earth Science Teacher Award, 2006, National Association of Geoscience Teachers.

International Association of Emergency Managers (IAEM) 2007 Academic Recognition Award.
